PROFESSIONAL SUMMARY

Computer Science Engineering student with a strong foundation in programming, databases, object-oriented concepts, and full-stack web development. Skilled in Python, SQL, JavaScript, React.js and Git, with hands-on experience through academic projects and internship work. Seeking an entry-level opportunity where I can apply problem-solving skills, learn new technologies, and contribute to reliable software solutions.

EDUCATION

Bachelor of Engineering, Computer Science and Engineering

SIMATS Saveetha School of Engineering
Chennai | 2022 - 2026 | CGPA: 8.2/10.0

Board of Intermediate, MPC

Narayana Junior College
Nellore | 2020 - 2022 | CGPA: 9.07/10.0

Board of Secondary Education

Ratnam High School
Nellore | 2019 - 2020 | Marks: 586/600

TECHNICAL SKILLS

Programming : Python, Object-Oriented Programming,
JavaScript
Web Technologies : HTML5, CSS3, React.js
Databases : MongoDB, MySQL
Tools : Git, GitHub

INTERNSHIP

Full Stack Web Development Intern

Averixis Solutions (May 2025 - Aug 2025)

- Completed a 3-month internship in full stack web development, applying front-end and back-end concepts through a live web project.
- Developed Sip-Smart, a coffee shop website with user and admin modules, authentication flows, and order workflow features.
- Improved UI consistency and resolved signup, login, and admin order-status flow issues for a smoother user experience.

PROJECTS

AI-Powered SEO Rank Tracker (Feb 2026 – Apr 2026)

- Built a full-stack SEO analysis and keyword tracking platform using React, Node.js, Express, and MongoDB.
- Integrated Gemini AI and Browserbase for automated website audits and competitor analysis.

- Implemented ranking history, keyword tracking, and secure authentication features.

Sip-Smart Coffee Shop Website (May 2025 - Aug 2025)

- Built a full-stack coffee shop website using Django, HTML, CSS, and JavaScript.
- Implemented user and admin authentication, signup and signin flows, and role-based dashboard navigation.
- Added admin order-status management and redesigned sign-in and sign-up pages with a clean coffee-themed interface.

Portfolio Website (May 2026 – Jun 2026)

- Built a personal portfolio website to showcase profile, technical skills, projects, certifications, and achievements.
- Designed responsive sections for education, internship experience, project details, and contact information.
- Improved content structure and visual presentation to create a professional online profile for job applications.

CERTIFICATIONS

- AWS Certified Cloud Practitioner - AWS, 2025
- Programming with Python - GUVI, 2024
- E-Quiz Math Aptitude - RMK Engineering College, 2024
- APEX Cloud Developer - Oracle, 2025
- MS Excel - Microsoft, 2025
- Time Management - Infosys, 2025

ACHIEVEMENTS

- Earned SQL 50 Challenge badge on LeetCode.
- Earned Oracle APEX Cloud Developer professional badge.
- Earned AWS Academy Graduate badge.

INVOLVEMENTS

- Attended workshop on Artificial Intelligence and Data Science, 2025.
- Attended workshop on Cyber Security held by Chennai Institute of Technology, 2024.

PROFESSIONAL STRENGTHS

- Takes initiative and works effectively both independently and as part of a team.
- Adaptable to changing environments and committed to continuous learning.
- Strong problem-solving and analytical skills.
